

Rescue Point Business Solutions (RPBS)

Reviving Businesses. Restoring Confidence.

About RPBS

Rescue Point Business Solutions (RPBS) is a Zimbabwean consultancy firm specialising in corporate turnaround, financial recovery, and business protection services. We guide distressed companies through structured solutions to preserve value, protect jobs, and maintain investor and creditor confidence. We are your strategic partner in business rescue, debt restructuring, insolvency management, and good governance.

Our Core Services

1. Business Rescue & Turnaround

- Appointment of Business Rescue Practitioner
- Temporary protection from creditors
- Drafting and implementing business rescue plans
- Stakeholder negotiations and management
- Business viability assessments

2. Debt Restructuring

- Negotiate better terms with creditors
- Engage ZIMRA, banks, NSSA, and suppliers
- Develop payment plans and cash flow models
- Avoid court action or liquidation

3. Insolvency Advisory

- Liquidation assessments and compliance
- Asset realisation and creditor payments
- Director protection from personal liability
- Legal filings and registry procedures
